SUBJECT: GOVERNOR'S WTW 15 PERCENT SFP ANNOUNCEMENT

The State of California, Employment Development Department (EDD), announces the second round of competitive grants under the Governor's 15 percent Welfare-to-Work (WtW) Grant Program. In California, a Solicitation for Proposal (SFP) process is the manner in which the Governor's 15 percent WtW grant funds will be distributed to public, private non-profit, and private for profit entities. Rules governing the use of these funds are described in the WtW Interim Final Rule issued by the Department of Labor (DOL) November 18, 1997.

Approximately \$19,000,000 will be made available for projects that demonstrate effective work-first strategies that move hard-to-place recipients of welfare into unsubsidized, self-sustaining employment. All entities meeting the eligibility requirements are encouraged to submit applications that illustrate a coordinated community effort and the applicant's capacity to move hardest-to-employ California Work Opportunity and Responsibility to Kids program recipients into self-sustaining employment.

**Proposals are due June 30, 1999.** A copy of the SFP can be obtained beginning April 20, 1999, by:

- downloading from the EDD web site at: <http://www.edd.cahwnet.gov/emptran.htm> or
- faxing a request (see attached ) to EDD at (916) 657-4391 or
- calling the EDD bid line at (916) 653-5134.

Please refer to the attachment for information regarding the scheduled dates, time, location, and registration for the upcoming bidders' conferences. If you have any questions, please contact the WtW Coordination Unit at (916) 654-7961.

Sincerely,

/S/ BILL BURKE
